M/R: Previous correspondence to GUSASA, Serial N 2516, dated 20 Nov 61 questioned need for replacing _____ upon expiration his tour in August 1962. ASA reply dated 4 January 1962 stated need for replacement. Referenced message proposed that _____ be extended for one year during which time ASA would supply a W9 or senior NCO to be trained at NSA as _____ replacement. Subsequent messages acquired _____ agreement to one year extension. This message informs ASA of _____ extension. Coordinated with ASALNUP _____ This message constitutes final reply to M6 RS #113.
